Dear Sir:-After a sickness of more than five years, I was tempted to try your Kidney and Backache Cure. In the mean time I had tried or been under about 20 doctors care at the beginning of my trouble It was thought to be only a local one, but as time wore on I became worse, so that at last I could not stand on my feet. Then my

arms and hands became useless. But at last after a very long time the use of both came back to me so that I could walk a little with the aid of crutches. The Doctors helped me to this point and no further, and for 21 years I kept in the same conditi Through the use of your Kidney and
